

LEGACY QUILT

Block #13 Lone Star

15" x 15" finished

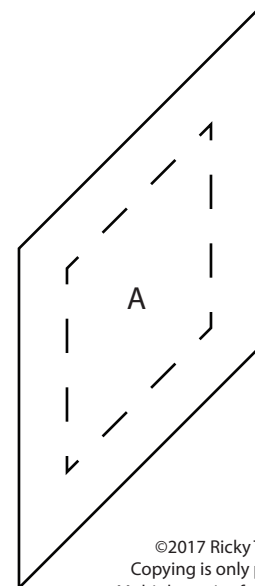

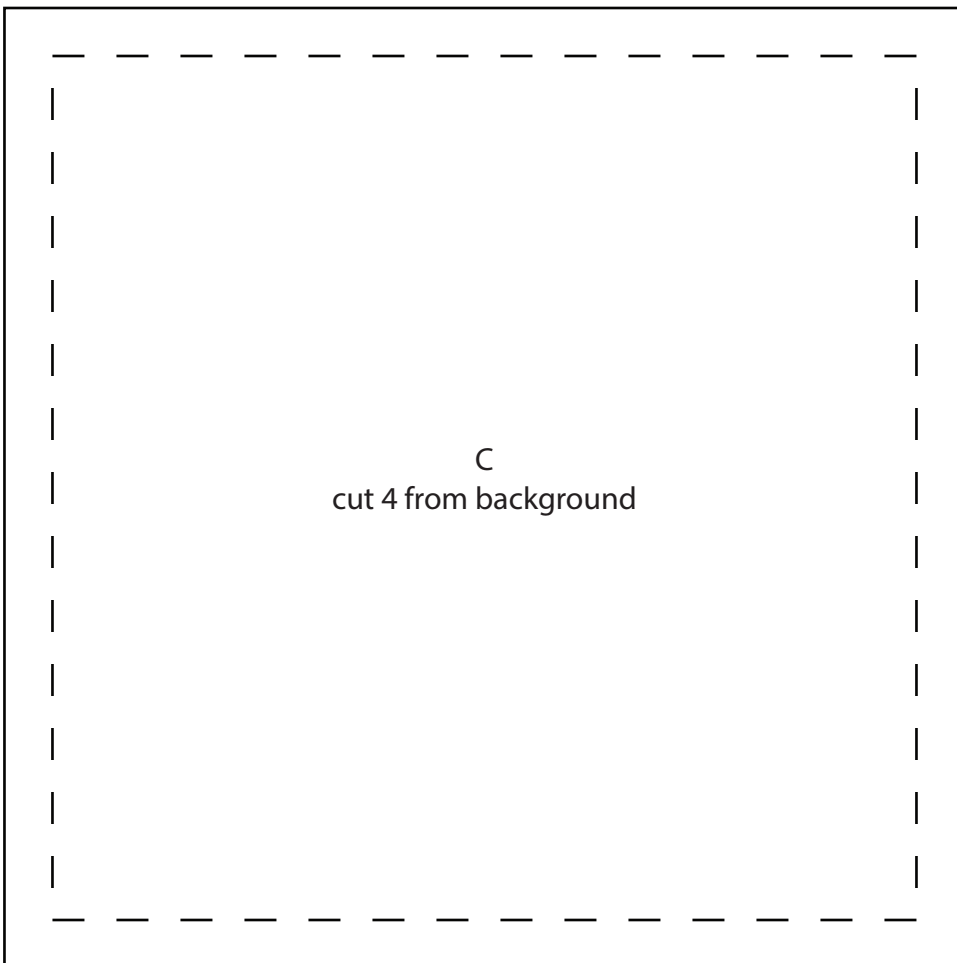

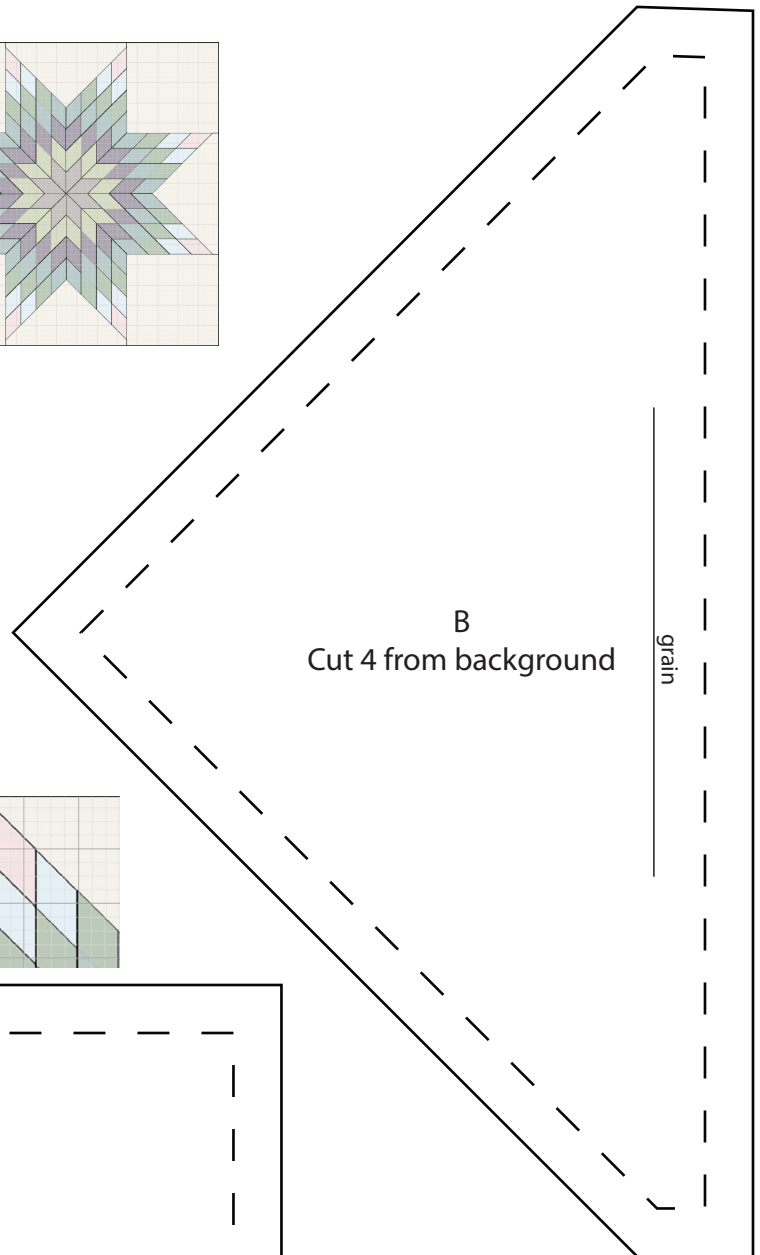

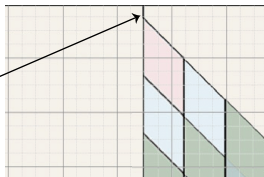

Print full size - 100%
No page scaling

Printing Test!
This is a
one inch
square.

The star uses seven fabrics. The setting squares are triangles from background. If using A template, it is provided below.

Alternately, the following page show a quick strip-pieced option. You will still need to use templates B and C here for the setting squares and trigangles. NOTE: The B unit is not actually a triangle. It extends beyond the star points slightly.

STRIP PIECING INSTRUCTIONS

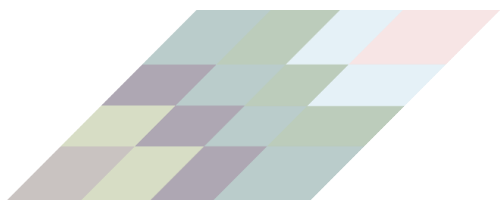

Cut the following
1.25" x 18" strips

- Fabric 1 - Cut 1
- Fabric 2 - Cut 2
- Fabric 3 - Cut 3
- Fabric 4 - Cut 4
- Fabric 5 - Cut 3
- Fabric 6 - Cut 2
- Fabric 7 - Cut 1

Sew four-strip sets using quarter-inch seams. Offset each strip $\frac{3}{4}$ " as shown. Use the *Fabric Number Guide* for each set.

Cut each set on a perfect 45° diagonal at 1.25" intervals. After 3 or 4 cuts it may be necessary to realign the 45°, confirm and make an "adjustment trim" and reestablish the 45° angle.

Assemble one unit from each strip set into a diamond unit.

Assemble the block by joining two pieced diamonds for the north, two for the east, two for the south, and two for the west.

Join N to E, then W to S, then join two halves to complete the full star.

Set in B pieces. Y-seams are required.

Set in the C, (corner pieces) to complete the block. Y-seams are required.
